

# Wear Your PFD

**Don't go boating without your personal flotation device (PFD), also known as a life jacket. It will keep you floating and make you easier to see in the water.**

**Check out what's going on in these pictures.**

**Is everyone following the rule for water safety?**

**How many different kinds of boats can you find?**

**Canoe**

**Rowboat (Sculling)**

**Inflatable Raft**

**Rafting Trip**

**White Water Rafting**

**Kayaks**

**Sailboard (Catamaran)**

**Sailboat with Cabin**

**Personal Watercraft (PWC)**

**Fishing Boat (Outboard Motor)**

**Ski Boat with Lookout**

**Marina**

**Law Enforcement**

**Cargo Ship**

## Tugboat with Barges at a Lock

Did you notice:

- ... different types and styles of life jackets?
- ... people who needed life jackets?
- ... life jackets that didn't fit properly?
- ... life jackets in the boat but not on a person?
- ... protective headgear?
- ... other types of boats in the background?
- ... people who might be at risk for hypothermia?  
(If you fall or slip into cold water, it could cause a dangerous drop in your body's temperature.)

Do you know your state's laws for wearing life jackets?
